Thanks Loren. I will give the reporter a call and let her know that DTSC is the appropriate regulatory authority to discuss the cleanup, and that the Navy should also be spoken to. Can you send me Keith's information? I'd like to make sure their PIO is in the loop. And Bill, can you remind me who the DTSC PIO is?

Rusty

Dear Mr. David Stensby,

I am a reporter for KALW Public Local Radio in San Francisco. We are working on a story about Treasure Island and the clean-up taking place. We would like to include you in our report and give you the opportunity to share what your department is undertaking, as well as what future plans are in place for residents on Treasure Island.

Would you be available to interview?

Thank you,
